TAFTVILLE

Basketball Club Gave Largely Attended
and Enjoyable Social—First Baseball
Practice Today—Village Mention.

The social given by the Taftville
basketball club in Parish hall on Fri-
day evening was a delightful affair, the
carefully arranged and carried out
successfully in all particulars. The
attendance was large, including people
from Danielson, Williamantic and Jew-
ett City.

Adolphus Benoit, the affable man-
ager of the team, performed the duties
of master of ceremonies in an efficient
manner, and Ernest Fontaine, prov-
ided a capable floor director. The
dancers were Alcide Desjardins, Joseph Pon-
taine, Walter C. Hildreth and Victor Pon-
taine. The committee of arrangements
was made up of these and the follow-
ing: George Walker, Daniel Connell, Arthur
J. Roy and Victor Caron.

The programme included sixteen en-
joyable dances, with Benoit prompt-
ing and the Norwich Concert and
Dance orchestra furnishing excellent
music.

The Taftville basketball team has
had a successful season, having won 12
and lost 8 games. Many of the games
were lost by close margins. A lively
interest has been shown in the team
and as proceeds from the games the
players have, after paying all expenses,
about \$50 in the treasury.

Pitcher Boucher Here.

Pitcher William Boucher of New
Bedford came to town Friday to see
what arrangements he could make with
the Taftville team to play with Jew-
ett City this season. Manager Thomp-
son of that town, who has been a de-
sirable position. Taftville has re-
tained all last year's players and ac-
cordingly Boucher will be used to
play with Jewett City unless the local
management either loan him or release
him entirely. This question has not
yet been decided upon and Bill may
wear a Taftville uniform again. He
is in good condition.

First Practice Today.

Manager Moller of the Taftville
baseball team will have the players
for positions on the nine out for their
first practice this afternoon on
the Providence street grounds, pre-
vided the weather is favorable. The
first league game comes just four
weeks from today, on May 1, with
Wareham, and arrangements are be-
ing made for a rousing sendoff with a
parade and band.

Notes.

Mrs. Leon Fontaine of South C.
street and Mrs. Clara Bissell of
North A. street have returned after a
week's visit in Mooseup.

Unclaimed letters at the Taftville
postoffice are addressed to Horridas
Bentley, Jos. Bottomly, Miss Caroline
Beauchamp, Mollie Chasney, M. S. Dor-
sey, Mrs. Clara Major, Mde. Alida La-
fontaine.

A. L. Potter of Norwich lost a valu-
able dog Thursday when the animal
tried to jump into his automobile on
Merchants' avenue, near Parish hall,
but fell beneath the wheel and was
run over. The dog was so badly in-
jured that Mr. Potter borrowed a re-
volver and shot it.

SUIT BROUGHT FOR \$25,000
W. A. Vickery Lost Arm while Working for Central Ver-
mont Road—Much Business in April Additional Term

William A. Vickery of New London
brings suit against the New London
Northern Railroad company and the
Central Vermont Railway company for
\$25,000 damages.

On September 5, 1909, the plaintiff
was employed by the Central Vermont
railway as a brakeman and while on
duty at 9 p. m. in Winthrop Neck yard,
New London, as he was riding on the
side of a car with his feet on a stir-
rup he was struck by a switch stand
and knocked from the car to the
ground. The following car went over
his right arm, crushing it for more
than eight inches. It was necessary
to remove the crushed bone above the
elbow, leaving the arm and hand use-
less. He is and always will be un-
able to attend to his personal wants
and requires constant assistance. It
is claimed that the company wrong-
fully and negligently maintained the
switch stand so close to the track
track next to it on the west as to

constitute a great danger in the op-
eration of trains thereby, and that there
was no light on the stand to warn the
employees.

Much Short Calendar Business.
When Judge Shumway comes here
next Friday for the short calendar
session preceding the April additional
session, he will find there is much
business before the court. Many cases
have been claimed for trial and a large
batch of notifications were sent out
Friday by the clerk of the court.

Demurrer Sustained.
In his memorandum of decision,
Judge Greene sustains the demurrer
of the defendant to the plaintiff's com-
plaint in the case of C. M. Shay vs.
S. Curtis Eggleston and others. This
suit concerns stock of the Nantic
Menhaden Oil and Fish Company,
which the plaintiff claims was to be
transferred to him. The stock amounts
to about \$20,000 and damages of \$10-
000 were sought.

**MONTHLY MEETING OF
PARISH HOUSE ASSOCIATION.**

Paper on Florentine Life by Miss Mary
A. Aiken—Songs by Miss Brand.

There were about fifty ladies present
at the regular monthly meeting of the
Parish House association, which was
held in the Osgood Memorial on Fri-
day afternoon. The meeting was con-
ducted by the president, Mrs. A. N. H.
Vaughn. In the absence of the sec-
retary, Miss Pullen, Miss Avery was
appointed to serve at the meeting. The
treasurer's report was given by Mrs.
Symington. The music for the after-
noon was furnished by Miss Edie D.
Brand, who gave four songs in fine
voice and much to the delight of her
audience. Her songs were "Smile,
Thou Art Like Unto a Flower," and
"Wilson's Carmen," with Carpenter's
verse "Lullaby" and "Finden's Temple
Bells" as the encores. Miss Alice L.
Woodward played her accompaniments.

Miss Mary A. Aiken read an ex-
tremely entertaining paper on Floren-
tine life, purporting to be leaves from
the journal of an Italian courtier. She
drew a picture of Florence and its
people today and in the days of the
fighting Guelphs and Ghibellines of the
thirteenth and fourteenth centuries.
After this came more peaceful times,
when the great families were the
rulers of Florence. This journal of
Luigi Soderini began in 1469 and tells
of Florence in the days of Lorenzo de
Medici, an exciting period of political
events, murders, wars, the gay life of
the people and their pursuit of knowl-
edge, beauty and pleasure—with por-
traits of the historic figures of the
time, ending with the death of Lorenzo.

Miss Alice drew a fascinating pic-
ture of the life of Florence at that time
and her paper was heard with great
interest and pleasure. The meeting
at the close of the meeting by Miss
Meech, Mrs. Zebulon R. Robbins, Mrs.
Hugh H. Osgood and Mrs. Frances D.
Young poured.

**CHANDLER TO ADDRESS

April 28.

The directors of the Norwich Busi-
ness Men's association have secured

Hill, Conn., to give the business men
of Norwich an address on April 28
at the Buckingham. Memorandum on
the subject of the Public Utilities Bill.
Representative Chandler is to speak in
Danielson on Monday.

Besides sending out notices of this
meeting to its own members, the Nor-
wich Business Men's association will
invite all the business men of the town
and also the officers of the William-
antic and New London associations. It
is a favorable impression made by Rep-
resentative Chandler when he spoke at
the board of trade banquet would in-
dicate a large local audience when he
speaks on this important subject at
the coming meeting.

NORWICH TOWN

Silver Fox Shot—Mystic Society's
Delegates at Mystic—Vernal Beau-
ties of Lowthorpe Park.

As L. J. DeBoise of Plain Hill was
plowing on Thursday he heard his
collie dog bark. Going to find out
what was the matter, he saw a silver
fox coming through the fence and
then up a tree, the dog close after it.
Securing a gun, the fox was soon
killed. It was full grown and mea-
sured four feet from tip of nose to tip
of all. This is the largest game that
the town has brought in. The
bounty on the fox is one dollar, the
state bounty one dollar, and the skin
is worth much more.

Spring in Lowthorpe Meadows.
